STUDENT ORGANIZATION HANDBOOK
Dear Students,

UTHSCSA offers a variety of ways for you to learn, grow, and engage with others while earning your degree. Participating in student organizations provides an opportunity for you to build a community around a common interest or goal. You’ll also enhance your ability to lead, communicate, work in teams, as well as, develop skills needed to be successful in your career after graduation.

This handbook is intended to serve as a resource to help you successfully lead or participate within your student organization. We ask that you review it thoroughly and refer to it often. The Office of Student Life is available to assist you with navigating UTHSCSA’s rules, brainstorming ways to better run your student organization, and doing what it takes to build a student organization you can be proud of.

We look forward to working with you!

Registering a new student organization: To register a new student organization complete the following steps:

1. Complete Student Organization Application and upload By-Laws for Student Organization.

UT System Rule 80103 Document
Student Travel Policy
UTHSCSA sponsors numerous off-campus activities involving students. In order to effectively manage these activities while minimizing institutional liability risks, this student travel policy must be followed: Health Science Center Student Travel Policy.

Student Organization Trip
If a proposed trip is organized solely for the student organization, an officer of the student organization will need to submit the Student Travel Authorization form to the OSL no less than one month prior to the scheduled trip. Do not pay for travel until travel is approved.

Institutional travel by members of the UTHSCSA community to countries and localities that have been placed under official “Travel Warning” by the U.S. Department of State is prohibited. Please refer to the International Travel to High Risk Areas policy.

If trip is approved by the OSL, the organization will need to complete the following steps:

- **Due 2 weeks prior to departure:**
  Students travelling separate from a class requirement are required to provide the following:
  - Student Travel Authorization
  - Student Travel Information and Release Form
  - Please make sure to provide the OSL with emergency contact information.
  - Full Travel Itinerary

- **Due 1 week prior to departure:**
  - Register through the State Department: Register [https://travelregistration.state.gov](https://travelregistration.state.gov).

Student Listserv Policy

In order to maximize the effectiveness of the student listserv, the following guidelines apply:

- The student listserv is to be used for important university business, university sponsored student-centered events/programming, and university sponsored student-centered initiatives.
- All communication via the student listserv must be pre-approved by the Director of the Office of Student Life, the Sr. Director of Student Success, the Vice President of Academic, Faculty, and Student Affairs and/or other Executive level leadership.
- The student listserv will not be used for any of the following: departmental/individual research (including surveys or polls), applications, or general announcements.

Peaceful public assembly

Below is only an excerpt of the Peaceful Public Assembly policy:

The freedoms of speech, expression, and assembly are fundamental rights of all persons and are central to the mission of the university. Students, faculty, and staff, when not operating in their official capacity, have the right to assemble, to speak, and the corresponding rights to hear the speech of others when they choose to listen, and to ignore the speech of others when they choose not to listen.

However, these activities are subject to the well-established right of colleges and universities to regulate time, place, and manner so that the activities do not intrude upon or interfere with the academic programs, administrative processes or other authorized activities of the university. The university shall not discriminate on the basis of the political, religious, philosophical, ideological, or academic viewpoint expressed by any person. Further, no expression or assembly may be conducted in a way that damages or defaces property of the university or of any person who has not authorized the person engaging in expression or assembly to damage or deface his or her property.

University staff, faculty and students may peaceably assemble anywhere on the UTHSCSA campuses that they are otherwise permitted to be without advanced permission, as long as there is no disruption to other university activities. In keeping with the university’s mission, any program or event sponsored by an academic or administrative unit of the university shall have priority in the use of space and facilities over any speech, expression, and assembly that is not sponsored by an academic or administrative unit.

No person, including a student or university employee, shall distribute any petition, handbill, object, or piece of literature; post or carry any sign, placard, or banner; or engage in speech or conduct on property or in buildings or facilities owned or controlled by UTHSCSA if it is obscene, unlawfully defamatory, or directed to inciting or producing imminent lawless action and is likely to incite or produce such action. Further, no person may attempt to coerce, intimidate, or badger any other person into viewing, listening to, or accepting a copy of any communication or persist in demanding the attention of any other person after that other person has attempted to walk away or has clearly refused to attend to the speaker’s communication. Persons or organizations who are planning a public assembly are strongly encouraged to notify and consult with their schools Student Affairs Dean as soon as possible.
